Junior -

Pat.

In the three years I've known you I have learned a great deal about you. I know you are one of the nicest gals ever! All the things I want to say, Pat, have already been said in this annual so it all sounds old. But this annual gives me an opportunity to let you know that I think you are the greatest. I have always admired and liked you and believe me I'll never forget you. I am looking forward to the coming Senior year with all my friends and Pat, you are high on the list! You are a wonderful girl - stay that way.

Yours Truly!
